Thank you for your interest in the Compeer Niagara Program.

Please return pages 5-10 to Compeer Niagara along with the Authorization for Release of Information.

Please continue to the next page.

Application Guidelines

(For the Applicant and the Mental Health Professional)

Compeer Niagara is a non-profit program that matches trained volunteers in one-to-one friendships with same-gender adults who have a mental health diagnosis. Our aim is to improve the quality of life and self-esteem of our clients through social inclusion, enjoyable activities, and the experience of mutual trust in a non-clinical setting.

Compeer Niagara Volunteers come from all over Niagara County. They are screened, trained, and supported to offer individual social activities with approved applicants for about 4 hours per month for at least a 12-month period. In addition, Compeer Niagara offers group social activities throughout the year. These low-cost events take place throughout Niagara County and vary month to month. Individuals are encouraged to attend these events which provide social inclusion and the opportunity to build relationships with fellow participants. Compeer Niagara staff and volunteers view themselves as an adjunct to your therapeutic interaction. All information is confidential.

Please note:

- The goal of Compeer Niagara is to match participants with a volunteer. However, there is no guarantee of *when* your client will be matched. This is based on the availability of volunteers. Once a volunteer becomes available, there are several factors considered before making a match. These include: gender, age, geographic location, and shared interests. Should a volunteer become available for your client, your client's participation is required. A copy of Compeer Niagara Match Guidelines is enclosed. Be sure to review this with your client, ensuring their understanding and agreement prior to applying for the program.
- Pertinent information, both psychiatric and medical, should always be disclosed – either on the referral form or in conversation with the Compeer Niagara staff. All information is kept confidential.
- Mental Health Professionals play an important role supporting Compeer Niagara. You are the primary contact for issues regarding your client.

In your role, you, (the Mental Health Professional) will:

- Ask your client about their Compeer Niagara activities during your regular consultations
- Be available for the Compeer Niagara staff to discuss any concerns regarding your client
- Receive reports from Compeer Niagara once your client is matched
- Once your client is matched, you will be asked to evaluate the Compeer Niagara Program annually
- Let Compeer Niagara know if your client ends services with you or if there is a change in any information.

Please ensure that you agree to fulfill these responsibilities before completing the application.

PLEASE KEEP THIS FORM FOR YOUR RECORDS

Application Guidelines

(Continued)

Please note:

- Quarterly participation is required from all participants.
- The quarters are as follows: [January, February, March]
[April, May, June]
[July, August, September]
[October, November, December].
- Participation can be any of the following three options:
 1. Attend an event.
 2. Schedule a 1-on-1 meeting with the Compeer Niagara Director or Coordinator.
 3. Spend time with your volunteer (once you have become matched).
- The goal of Compeer Niagara is to match participants with a volunteer. However, there is no guarantee of when you will be matched. This is based on the availability of volunteers. Once a volunteer becomes available, there are several factors considered before making a match. These include: gender, age, geographic location, and shared interests.
- A copy of Compeer Niagara Match Guidelines is enclosed. Be sure to review this with your Mental Health Professional, ensuring your understanding and agreement prior to applying for the program.
- You will contact the office with any change in phone number, address, or Mental Health Professional information. These pieces of information must be kept current at all times.
- You will complete a yearly survey.
- Reminder: Low-cost events take place throughout Niagara County and vary month to month. You are responsible for the \$5.00 donation at each event you attend.

Please ensure that you agree to fulfill these responsibilities before your Mental Health Professional completes the application.

PLEASE KEEP THIS FORM FOR YOUR RECORDS

Eligibility Criteria

Applicant Name: _____

Part A:

1.	The applicant is 18 years of age or older.	YES / NO

- Needs** assistance in completing tasks and following through on personal goals and social activities
- Lacks** stability and proper support groups in his/her environment which would otherwise enforce clear thinking and concentration
- Lacks** adequate literacy skills which subsequently interferes with his/her ability to concentrate

Compeer Niagara Match Guidelines

- Compeer Niagara volunteers commit to investing four (4) hours per month in their match. You and your friend will decide what you want your relationship to look like. Although this time can be a combination of phone calls and in-person visits, we have found that weekly contact works well for most matches. For example, many matches have weekly phone calls and 1-2 in-person visits per month.
- Be sure to keep your interactions balanced. Overdoing it can lead to burnout and inconsistency can lead to frustration. Remember to stay active with your other personal relationships and try to participate in organized social activities. Compeer Niagara offers monthly group activities that both volunteers and participants are invited to attend. This is a great way for matches to get together.
- Communication is key. If a change in plans is needed by either party, please be sure to inform one another. Be sure to communicate with Compeer Niagara staff as well. This includes information relating to monthly activities, any change in address, telephone number, or mental health professional, concerns regarding your match, etc.
- Understanding is essential. Remember, volunteers and participants have obligations and commitments outside of Compeer Niagara. Continue to maintain your personal priorities (ie. Appointments, work, personal relationships, etc.)
- It is important to plan activities you both can enjoy. When planning, consider personal and physical limitations, comfort levels, individual preferences, and budget. The monthly activities hosted by Compeer Niagara meet these considerations.
- The goal is to spend time together, not spend a lot of money. Each person is to pay his/her own way. The borrowing and lending of money should not be part of a Compeer Niagara relationship.
- Compeer Niagara volunteers are supportive friends, not health professionals nor personal assistants, etc. Time spent together should be social and focused on friendship.
- Time together should be just the two of you. Keep outings that include other people to a minimum, if at all.
- Alcohol, drugs, and dangerous situations are prohibited from any activity, both with your match and at Compeer Niagara hosted activities.
- Compeer Niagara matches are not lifetime commitments, but are limited voluntary time spent together. People's schedules and life situations change and matches do come to an end. Participation in the Compeer Niagara program is voluntary for both volunteers and participants.
- Sometimes a Compeer Niagara volunteer or friend has previously been matched with someone else. If this is the case, you are reminded to keep the previous match confidential. This means that you may not discuss names or particulars concerning the previous match.
- Appreciation goes a long way. A simple "thank you" or "I enjoyed that" will mean a lot to the person with whom you are matched.
- It is understood that if my friend makes any threats to harm themselves or somebody else, the volunteer has the duty to contact crisis or emergency services, Compeer Niagara staff, or other appropriate person to ensure safety. It is understood that concerns of any nature will be reported to Compeer Niagara staff.
- It is understood that a monthly report will be completed by the volunteer, noting the date and length of activities and phone calls. Surveys and annual updates will also be completed.
