Celebrate Spring Art Show 2017 **Sponsored by the Mental Health Association**

The Mental Health Association in Niagara County, Inc. will present an art show open to the public to celebrate Spring 2017. The Art Show will take place at 36 Pine Street, Lockport, NY beginning with a reception from 5:00 to 7:00 p.m. on Friday May 19, and the work will continue to be exhibited through June 5th.

A new art initiative in Niagara County will welcome your submission of creativity for an Art Show planned to open on May 19 at the offices of the Mental Health Association in Niagara County, Inc. The display will continue on the office walls during regular business hours Monday through Friday until June 5th so that everyone has a chance to come in and admire!

All of us have at least a little of the artist within us and we can all benefit from self-expression and sharing feelings. The Mental Health Association provides encouragement and support to those who express themselves through art, as a means of staying healthy and sharing thoughts and feelings. There are many artists in our community who deserve the opportunity to display their work. They may draw or paint in the privacy of their own home. Some might work with fabric, weaving, quilting or creating collages. Or perhaps they use found objects to share their vision in sculpture, or use a camera as their tool. These unsung artists will have a chance to show their work and garner interest from the public at this show.

The only requirement to submit art work is that the artist be a resident of Niagara County. Everyone is welcome to have their art displayed. If you want more information about how to submit your work for display, or other facts about the show, just call the office at 716.433.3780 or look at the MHA website – www.mhanc.com.
