APPLICATION GUIDELINES

(For the Youth and the Referring Professional)

Compeer volunteers come from all over Niagara County. They are screened, trained and supported to offer regular individual social activities with approved applicants for about an hour a week for at least a 12-month period.

PLEASE NOTE:

- All information requested is essential to facilitate the matching process and is, of course, confidential. You are welcome to make copies of this blank application packet for future use.
- Positively reflecting the applicant's personality (ex. appreciative, likeable, easy to talk to, etc.), as well as demonstrating a need and desire for a volunteer, enhances an applicant's chance of being matched.
- Pertinent information, both psychiatric and medical, should always be disclosed – either on the referral form or in conversation with the Compeer Coordinator.
- A delay may occur in matching the youth because of the high demand for Compeer volunteers. Please help us by only submitting an application for those consumers who are most suitable and most in need. Please ensure that the applicant understands that there may be a long waiting period.
- Referring professionals play an important role in choosing a volunteer and supporting the Compeer relationship as it develops. You are the primary contact for issues regarding your client.

In your role of monitoring the friendship, **you (the referring professional):**

- Will ask your client about their Compeer activities during your regular consultations
 - Are available for the volunteer to discuss any concerns regarding your client
 - Will be contacted by Compeer staff if concerns arise
 - Let Compeer know if your client ends services with you or if there is a change in any information.
- As the primary support system for the volunteer, **Compeer:**
- Contacts the volunteer after the first meeting and regularly throughout the friendship
 - Provides phone access & support during office hours
 - Requires written monthly reports from volunteers
 - Provides one-to-one supervision as necessary

Please ensure that you have the time to fulfill these responsibilities before submitting the application
